(Memphis, TN) In its eighth season, Ballet On Wheels Dance Company enthusiastically announces their presentation of "The Chocolate Technique - Series I" on November 7, 2010 @ 3:00 p.m. at Theatreworks.

This new dance series includes innovative choreography and classic company repertory set to the background of upbeat music, soul and funk that this youth dance company has pioneered and embraced over the years. "The Chocolate Technique" includes two suites of modern, african, and contemporary dance forms and of course, classical ballet.

"We are so excited to present a new annual dance series that gives us an opportunity to step out perform what we like to perform and what audiences like to see us perform" said Chauniece Conner, Executive Artistic Director. The dance cast is made up of company dancers ages 13 to 23. The show begins at 3:00 p.m. Tickets are $15 in advance and $20 at the door.

Ballet On Wheels, founded in 2002, is Memphis' only African-American, community based, non-profit, pre-professional, classical ballet school and dance company. The

name was derived from its method of mobile instruction. The school and company is dedicated to preserving and celebrating dance while creating innovative works. This event is sponsored by Valero Energy and Nike.
