For Immediate Release

July 25, 2006

“Who Wants to Dance?”

Ballet On Wheels, Theatre of Dance is holding dance scholarship auditions for the upcoming Fall Semester. Auditions will take place at Theatreworks, 2085 Monroe Ave. by appointment only. Registration for classes beginning August 14 is going on now. Interested male and female students ages 7 and up should wear comfortable clothing to the audition. At least 1 year previous ballet or modern dance experience preferred, but not required. Dancers must have a strong desire to dance and be able to attend weekly classes throughout the year.

Ballet On Wheels, founded in 2002, is Memphis' only community based, non-profit, pre-professional, classical ballet school and dance company. Students receive progressive instruction in the art form and theory of Classical Ballet, Modern, Pointe and Jazz dance genres. The school and company are dedicated to preserving and celebrating dance

while creating and commissioning new innovative works. Dance will not only expose youth to the arts, but will teach them life skills.

Ballet On Wheels has a performance season that begins in September and continues through June with an annual performance in November. For more information on classes or the upcoming performance season, contact Chauniece Conner @ 901-870-4348 or visit the website at www.balletonwheels.org.
